At Christianity Explored, using Mark's gospel in the Bible, we explore important questions of life like:

- Who is Jesus?
- What is Christianity really all about?
- What is a Christian?

Christianity Explored is a course that has been run by St Giles' Church for a number of years and is well established in similar churches up and down the country and around the world.

It is next running in January and February 2012 in the function room of the Norman Arms, just down the road from St Giles'. The evening begins with a different pub meal each week.

In the course of the evening there will be a presentation and a chance to discuss important issues arising from what we've heard with a small group of like-minded people.

The dates are overleaf.

There is no charge for Christianity Explored or for the meal but there will be a cash bar for drinks.

If you would like to contribute towards the costs you will be welcome to, but it is not required.

Please reserve a place for me at Christianity Explored.
