

Proclaiming Christ to all and presenting all mature in Christ (Colossians 1: 28)

Our community of ordinary people from all walks of life is committed to these two goals - and to training and equipping workers for them.

Who are we?

We're an Anglican Evangelical Church who preach the gospel and pray at every opportunity. We're based in the southern suburbs of socially and culturally-mixed Derby City (- but not far from the beautiful Derbyshire Dales and Peaks). Find us at www.stgiles-derby.org.uk

What do we offer?

Our apprentices get a taste of a huge variety of ministry tasks: youth and children, students, outreach projects, the elderly, families, enquirers' courses such as Christianity Explored, small groups, prayer, church services, schools work, internationals and ethnic groups, music and much more. You will get the chance to explore just about any area of ministry you could name. Not that you have to do all of those!

You'll be well taught and grounded in the Bible here and at the Midlands Ministry Training Course in Birmingham each Thursday, as well as studying modules of the Moore College Correspondence Course. You'll be challenged, encouraged and mentored and you will serve Christ in a staff team that has a vision and a sense of humour and fun.

Who should apply?

We seek people with a servant heart to come (usually for two years) to live among us (accommodation is provided), learn from and work with us. We aim to have two apprentices at any time. There are no particular academic qualifications required but you must share our conviction that the Bible is the true and living Word of God, and have a commitment to Bible-centred ministry. There is a generous living allowance provided but the real rewards are in heaven.
