

LIFE|EXPLORED

We all want to be happy. In the seven sessions of Life Explored we'll look into some of the ways we try to find that happiness and we'll ask the question: "Are we looking in the right place?"

Life Explored is run in a relaxed and friendly setting at St Giles'. It starts with a meal and features a combination of short films - shot around the world - with time to explore how the Bible answers our questions and longings. You won't be asked to read, sing or pray aloud. You will be able to ask any question you like or to just sit and listen.

Come along for seven Monday nights and we promise you that you won't be bored, embarrassed or pressured.

Whoever you are, whatever you're thinking, Life Explored will help you discover the greatest gift in the universe. Fill in the form to book your place.
